

# SHARE YOUR GREEN LAKE STORY

Big Green Lake is our community, our natural resource, and our treasure-all wrapped up into one. The time we spend by the lake overflows with cherished moments of joy, relaxation, and togetherness. We want to hear your Green Lake stories and what makes Big Green special to you and your family. That's why we're asking you to **share your stories and memories with us in the form of a 3-minute video! Follow the steps below & check out examples of stories from the community here:** [bit.ly/MyGreenLakeStory](https://bit.ly/MyGreenLakeStory)

**Equipment:** Whatever you have! A camera + tripod is ideal, but your phone is great too.
