

AGRICULTURAL STEWARDS SCHOLARSHIP APPLICATION 2022

Thank you for your interest in receiving an Agricultural Stewards Scholarship from the Green Lake Association (GLA). How we treat the land in our watershed impacts the health and water quality of our waterways. That's why we're investing in farmers, like you, to help us protect Big Green Lake and its watershed through environmentally and economically smart land practices. The application is open to anyone interested in learning more about conservation-based agricultural practices, high school age or older, who we believe will be the next agricultural stewards in our watershed. This scholarship provides \$500 in funding to be used towards conference registration, lodging, meals, and mileage.

Please read the following instructions and scholarship terms of use carefully:

- Please complete this form and return your application to Jennifer Fjelsted, Communication & Project Manager, at Jennifer@greenlakeassociation.org, or mail to our office at P.O. Box 364, Green Lake, WI 54941.
- A check will be issued in advance of the conference to cover fees such as registration, lodging, meals and mileage. Accepting the scholarship funds means you are agreeing to attend your chosen conference and use the funds to cover related costs. If you are unable to attend, the check, or equal funds, **MUST** be returned in full to the Green Lake Association. Using the funds for purposes other than attending the conference for which you received the scholarship is strictly prohibited.
- In accepting this scholarship you are agreeing to attend the conference and provide the following to the GLA: 1) Send the GLA a photo(s) of yourself at the conference. 2) Complete a post-conference survey. 3) Agree to the use of your name, photo and comments to be used in promotional/educational materials and press releases.
- Individuals can re-apply and be awarded the scholarship more than once, but no one individual can win two years in a row.
